Ice Cream Social & Swap Meet

It is that time of the year again!

The dog days of summer are upon us and what better way to beat the heat than our annual **ICE CREAM SOCIAL**

So grab so Ice Cream, your favorite toppings and maybe some cookies and let's see if we can devour it all before the August heat turns the ice cream into soup!

This year we are adding a little twist to the ice cream social.

We are going to have a mini swap meet.....

So bring your junk, oops treasures, and see if you can pawn your stuff off on someone. I think the door prize is a new **Elecraft K3S!** No that 's a lie, but it got your attention didn't it?

Anyway get out and enjoy the heat and some Ice Cream!

ELMER PROGRAM

Kent- K5WTS, along with other "ELMERS" will be on hand for any Elmer Questions, radio procedures, station set up, antennas, etc. and he plans on making this a regular event prior to each meeting and is also looking for other Elmers to help out with new member questions.

DX Doxology

What is on the airways!

KH1/KH7Z-Baker Island- I hope some of you folks worked them because I did not. I only heard them 1 time and they were really weak. I looked for them on FT8 but never saw them. Oh well, maybe someone will go back there before we are all Silent Keys!

On a sad note.... **Nick Marsala, AB5M** a long time member of the BAARC passed away recently in Rockwall, TX. Nick has been gone from Broken Arrow for quite a while, but I'm sure many of you still remember him.

Also, **Bill Gaines, AD8P** passed away in Bluffton, OH on July 8th. Many of you meet Bill in Dayton. He was actually at my QTH for Field Day this year and suffered a heart attack and passed away. Bill was an exceptional person and all around good guy, plus he introduced us to Marion's Pizza in Ohio. He will be missed!

Mark your calendars.....The annual October cookout will be **October 8th, 2018**. This is the **SECOND Monday in October**. The cookout will be at K5PX's QTH @ 6:00 PM. More details to follow!
