

A graphic of a spotlight with a grey body and a black lens, casting a yellow beam of light. The word "Spotlight" is written in a large, black, serif font across the beam.

Spotlight

At each monthly meeting of Broken Arrow ARC, equipment (radios, systems, antennas) will be spotlighted for your review. These will include:

- Satellite Tracking and Communication
- Yaesu Model 991A radio
- SOTA (Summits On The Air)
- Fox Hunting
- D-Star and DMR radios
- Elecraft KX3 for Digital Modes (PSK31, Olivia etc)
- others
