Members Meal will be **covered** by the club.....Cost per Spouse or Guest is **\$15** per person

There will be a **white elephant gift exchange** so bring something along for the exchange, ham related. Also, if you want, you may bring an **unwrapped toy to donate to Toys for Tots!**

The meal includes Turkey and dressing, ham, mashed potatoes, green beans, Desert and drink.

ELECTIONS AHEAD

January 2019. If you would like to serve as an officer, or if you want to throw all of the officers and directors out and start over, January will be your chance!

Please contact any of the current officers if you would like to serve the club in an officer or director capacity. Nominations from the floor will be allowed at the meeting.

NEW TECHNICIAN CLASS STARTING!

Broken Arrow Emergency Management, in association with the Broken Arrow Police Department, will be sponsoring an Amateur Radio licensing class. This class will cover the material necessary to obtain the Technician Class Amateur Radio license. The class is taught by volunteer instructors affiliated with the American Radio Relay League (ARRL) and are all members of the Broken Arrow Emergency Management Amateur Radio Club and/or the Broken Arrow Amateur Radio Club.

Where: Broken Arrow Public Safety Complex
1101 N. 6th St (Lynn Lane and 71st Street)

Date: Starting Wednesday, January 9, 2019. Classes will meet each Wednesday for approximately eight weeks.

Time: 6:00pm - 9:30pm.

There is no fee for the class. Books will be available for those who wish to purchase them for approximately \$25.00. Although you do not need a book to take the class or licensing exam, it is highly recommended as the class is structured using this information. The text will be the latest-edition licensing manual published by the ARRL.

At the end of the class, an FCC licensing examination will be offered for anyone who chooses to take it. There is a \$15.00 examination fee for the licensing exam.

Come to join us and get an introduction to the world of Amateur Radio, get your "ticket" and get involved in this rewarding activity.

Please email us at wx5ba.radio@gmail.com to register for this class. Class size is limited, so please register early.
