TREASURE'S REPORT!

At the last meeting I saw jaws drop when they heard how much money we have in the treasury! So where did it come from, you ask?

We had a family of a Silent Key donate their equipment to the club for us to sell. We sold **\$2145.00** from the estate of W5BKV from that went into the Treasury.

Our current bank balance stands at \$9234.52

SOLD!

Back last year we lost one of our longtime members, **Chuck Myers, KW5I**. His widow, **ANN** asked if we could help dispose of his equipment. So, **Bruce II, KG5CZT, Bob K5GSC, Earl, WB5UUW, Jeff Smith, KI5JCT, & Dan, W5TM** stepped up!

All total they sold approximately **\$3500.00** of equipment and presented the money to Ann!

Way to go guys!

Breakfast!

While it is not a sanctioned BAARC function, a bunch of Guys & Gals get together on Friday mornings at **Mom's Café @ 7:00 am**.

The café is located at 1530 N Elm, in Broken Arrow, just across the street from the car dealership. Look for the white LED lights that are around the windows!

Hope to see you there!
